Incoming 9th Grade (9A) Summer Assignment

Instructions: From the Algebra 1 Study Guide, complete the following tasks:

- On a separate paper, select 2 questions from each of the following numbered topics found in the study guide: 2, 3, 4, 5, 7, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 22, 23, 25, 27, 29, 31, 32, 35, 36, 37, 39, 41, 42, 43, 46, 47, 48, 52, 55, 56, 62, 64, 65, 72, 77, 78, 92, 98, 99, and 100.
- The questions must be completed on separate paper.
- Show all work and/ or provide a brief explanation if there is no work to be shown.

As you move into Geometry, it is important to be very comfortable with many of the Algebra 1 learning standards. This assignment is designed to reinforce the most important concepts from Algebra 1 in order to most effectively transition to Geometry.

This assignment is due on Friday September 9th.
